Title	Privacy Policy link not correct on contact captain dialogue
Description	When we are on contact captain dialogue, link to privacy policy page is not correct and it is leading to non existing page
Steps	<ol style="list-style-type: none"> <li>1. Login to <a href="https://qahiringtask.dev.fishingbooker.com/">https://qahiringtask.dev.fishingbooker.com/</a></li> <li>2. Go to <a href="https://qahiringtask.dev.fishingbooker.com/charters/view/522">https://qahiringtask.dev.fishingbooker.com/charters/view/522</a></li> <li>3. Click on the Message Captain button under the captain details section  </li> <li>4. If there is already conversation with the captain, click on 'Create new inquiry' button</li> <li>5. Hover over Privacy Policy hyperlink  </li> </ol>
Actual Result	When hovered over Privacy Policy hyperlink, shown redirect link is not correct: <a href="https://qahiringtask.dev.fishingbooker.com/pages/privacyy">https://qahiringtask.dev.fishingbooker.com/pages/privacyy</a> (there is an extra 'y' character at the end of the link)

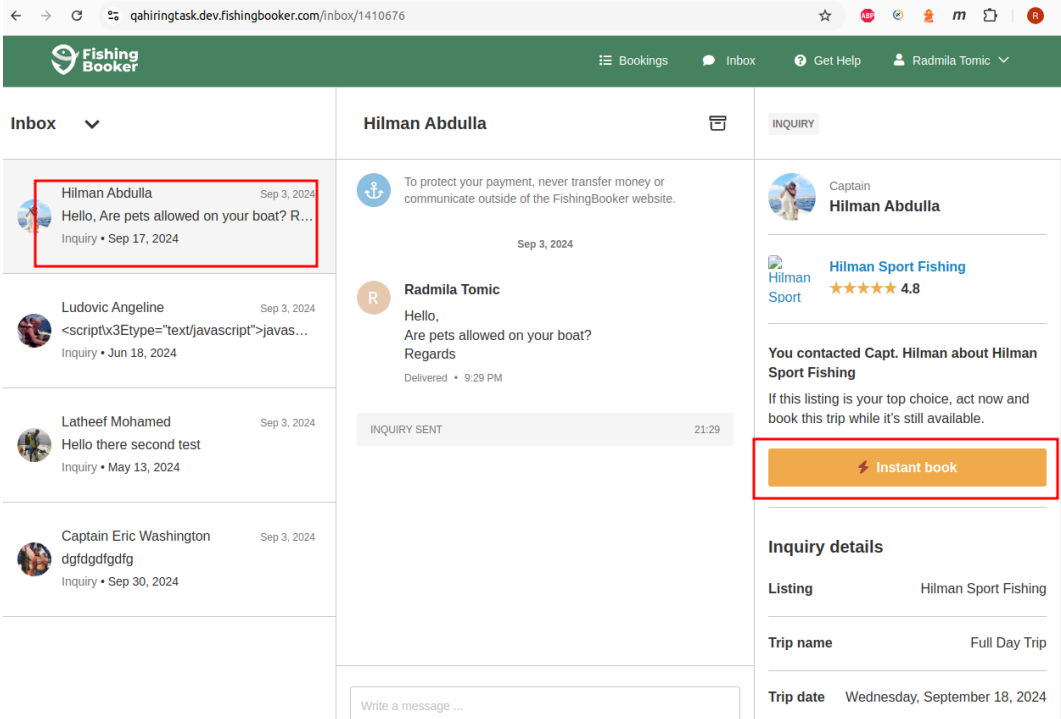

Expected result	When hovered over Privacy Policy hyperlink, following redirect link should be displayed: <a href="https://qahiringtask.dev.fishingbooker.com/pages/privacy">https://qahiringtask.dev.fishingbooker.com/pages/privacy</a>

Title	Unlimited number of enters (empty lines) can be added in chat with captain
Description	When we are using mobile device, tapping on 'Message Captain' button triggers no action
Steps	<div>1. Login to <a href="https://qahiringtask.dev.fishingbooker.com/">https://qahiringtask.dev.fishingbooker.com/</a></div> <div>2. Go to any existing chat message</div> <div>3. In Write message field add one line of the text followed by 50 empty lines (enter on keyboard)</div> <div>4. Observe the screen</div> <div>A screenshot of a web browser displaying the Fishing Booker chat interface. The browser's address bar shows 'ngbooker.com/inbox/1410691'. The page has a green header with the Fishing Booker logo and navigation links: Bookings, Inbox, Get Help, and a user profile for Radmila Tomic. The chat area shows a conversation with 'Brett Fleetwood'. A message is visible with the text 'Message text' and a timestamp 'Delivered • 10:20 PM'. At the bottom of the chat area, there is a text input field with the placeholder 'Write a message ...' and a timestamp 'Delivered • 10:21 PM'.</div>
Actual Result	Empty line at the end of the message are not being stripped off and empty space is shown in chat
Expected result	Empty lines at the end of the message should be stripped off before message is sent
